2010 CETP and OQ Classes

Why PGANE? Our classes utilize professional instructors who utilize the latest in visual aids and hands on props.

We provide your students with coffee and donuts in the morning and a **full lunch!**

Our classes are partially PERC funded, which saves you money.

By using Propane Gas Association of New England schools, you ensure that your students are well trained, have ongoing resources they can call for future help and you are supporting your association!
